There are many dangers in and out of the ocean, but I try to protect myself and my community by wearing a reusable mask!

“JUSTICE AND COMPASSION SHOULD BE A GOAL FOR EVERYONE.”

Color and cut-out this quote by F.E.P.’s founder and president. You can use it as a bookmark, sticker (if you add glue or tape), wall decor, etc.

Note: In the fictional world of Sharktopia - these fish can breathe fine in their reusable cloth masks (made special for them). ♥
